## Boise's Finest Year-Round Lodging Value

Boise's newest all-suite hotel, with 132 elegantly decorated suites, is conveniently located across from the Boise Spectrum with easy access to I-84 and just

All suites feature a king or two queen beds, marble bathrooms with separate shower and soaker tub, large working desk, mini-refrigerators and microwaves. Larger extended-stay suites have full kitchens.

Our guests can enjoy a complimentary full hot breakfast buffet and our evening reception. It doesn't stop there, we also have a state of the art exercise room with sauna/steam room and an indoor pool and Jacuzzi. The hotel also provides our guests with complimentary high-speed, wired and wireless internet access throughout the hotel.

The hotel features three conference rooms to accommodate 15-400 people with state of the art audio-visual equipment. You only have to bring your laptop and presentation. We can do the rest.

Corporate rates are available and welcomed.

Our staff is here to provide you and your clients the best experience at an affordable price.

Please call for an appointment or stop by for a tour of the hotel.
